

LEAF - External Display Cases with Swing Door

A proven design combined with a neat design.

The VANERUM LEAF external display cases with swing door are weatherproof by offering perfect waterproofing without condensation in compliance with the criteria of standards NF EN 1027 and XP P20-650-1. They are certified to NF Education, NF Collectivité and NF Environnement. Unique and sturdy, the frame features rounded corners with a cap decorated with an elegant leaf-shaped cut-out pattern that is available in 5 colours to match the colours of your logo or decoration.

Details

SAFE FOR USERS: NF Education, NF Collectivité et NF Environnement certifications.

GUARANTEED WEATHER RESISTANCE: According to the AEV (Air*Water*Wind) classification, which is normally a window standard, the LEAF outdoor display case has a waterproof level E*5A and a resistance to wind pressure and deformation of level V*C2. Air permeable (anti-condensation), it protects documents from humidity and ensures that they can be read without obstruction.

ANTI-UV GLASS FAÇADE (optional): To provide additional protection for documents against the sun (99.5% of UV are blocked).

CUSTOMIZABLE: To match your shop window to your logo or decoration, the corners are delivered in 5 different sets of colours (grey RAL7042, red RAL3020, blue RAL5015, yellow RAL1018 and green RAL6018).

EASY ACCESS: The hinged door makes it easy to access content for updating. The door can be installed on the right or left. Magnetic surface for displaying with magnets.

INACCESSIBLE WALL MOUNTING: After locking the door.

SIDE-BY-SIDE MOUNTING: Equipped with front locks, the display cases can be placed side by side in order to have maximum display capacity.

IDENTICAL OR DIFFERENT LOCKS: On request and within the limit of 10.

OPTIONAL STAND: To install your display case where you need it. To be bolted on.

SECURITY GLASS OR POLYACRYLATE DOOR: More transparent and difficult to scratch, 4 mm safety glass offers greater resistance to impacts and thermal shocks and the advantage, in the event of

Materials
