

Ideal for personal use, for offices and small meeting rooms.

Fitted with a sober and elegant anodised aluminium frame, the SB (SHELLBOARD) range of boards in e3 enamelled steel are available in a range of dimensions from 45x60cm to 120x300cm or 150x240cm and are very easy to install with only 4 attachment points. They are certified to NF Education, NF Collectivité and NF Environnement.

Details

SAFE FOR USERS : NF Education, NF Collectivité and EN ISO 28762 / EN 14434 certifications.

ENVIRONMENTALLY-FRIENDLY AND SUSTAINABLE : NF Environnement certification. Eco-friendly materials such as the PEFC certified substrate and e3 enamel surface, guaranteed for life* and 99% recyclable, which offers greater resistance to scratches, bacteria and chemicals. *Under normal conditions of use.

INVISIBLE FIXINGS : Made from in grey polypropylene, the covers at the corners mask the mounts like "shells".

EASY INSTALLATION : Only 4 attachment points.

AVAILABLE IN PROJECTION OR SCREEN WHITE AND CHALK

GREEN : Many screen printings in option. Check out our guide.

MAGNETIC SURFACE : To display using magnets.

NATURAL ANODISED ALUMINIUM FRAME : Other colors for lacquering frame profiles on request.

PEN TRAY : For holding writing and erasing materials.

Materials

e3 enamelled steel surface vitrified at 800°C available in marker white or projection white.

Backing made from high density chipboard (8 mm), certified to PEFC, recyclable to 99%.

Counterbalancing up to 120x200 cm using an aluminium sheet which protects the panels from deformation due to humidity. Larger formats and projection white surfaces are backed with galvanised steel to maintain absolute flatness over time.

Bonded using polyurethane glue with absolutely no VOCs.

Frame made from smooth anodised aluminium.

Rounded corners made from grey polypropylene.

Snap-on anodised aluminium pen tray with protective end caps .

Certifications & warranty

Board: 5 years / Surface: for life.

The product is certified to NF Education, NF Collectivité and NF Environnement and PEFC.

Chipboard certified to PEFC.

The product is manufactured in a French factory which is certified to ISO 9001, ISO14001 and ISO 45001.
