

The GLASSBOARD offers a sleek, frameless design with an aluminum mounting system for a floating effect. Available in various colours, it features a dry-erase and magnetic glass surface, with an optional matching marker tray.

Details

MODERN DESIGN: Without frame, the GLASSBOARD FREEZE offers a concealed offset wall fixing system which gives a real impression of lightness.

A COLORFUL SURFACE: Its smooth 4 mm tempered or laminated glass surface is available in many standard colors.

FOR WRITING AND DISPLAY: Write all your messages using drywipe markers (white glass) or wet erase chalkmarkers and display your memos with high-power neodymium magnets (in option).

Materials

Glass surface available in the following standard colors and finishes: white, black or grey lacquered toughened glass / red laminated glass. Other colors available on request from the VANERUM color chart.

Back panel made of 0.4 mm galvanized steel to allow magnetic display with high-strength neodymium magnets.

Mounting system: round glass clamps, 26 mm diameter, in aluminum.

Optional 30 cm tray (L30) available upon request.

Certifications & warranty

2 years
